

## THANK YOU for helping us **EXCEED** our **YEAR-END FUNDRAISING GOAL!**

We want to thank YOU — our Share & Care family — for your dedication to helping those most in need in rural India. With your support and the generosity of two anonymous matching donors, **we were able to exceed our year-end fundraising goal, raising a total of over \$110,000!** These funds will allow us to continue creating sustainable change for India's most vulnerable groups.

### A MESSAGE FROM OUR PRESIDENT

I am proud to announce that in 2022, we **distributed over \$1.5 million in much-needed aid, helping over 100,000 people across India.** I would like to thank our loyal donors who have given generously to support our causes. In December alone, we **surpassed our goal of raising \$75,000, collecting a total of more than \$110,000 through various donor matching initiatives.** — Saumil Parikh

While we are thrilled with our past year's accomplishments, this success has reinvigorated our commitment to uplifting students, women, families, and entire villages through our Signature Programs.
