

GIVE THE GIFT OF LOVE FOR OTHERS!

It's not too late to give the perfect Valentine's Day gift! In honor of your special loved one, consider making a donation to Share & Care in their name.

A giving heart can change many lives.

Donations from supporters are used to help communities in New Jersey as well as throughout India. Our latest local effort is a food distribution project at Bessie Green Community Church in Newark, NJ, which was held on February 5. We delivered approximately **360 food boxes that weighed over 10,000 lbs!**

Our work won't stop here. This is the first of several cities in NJ that we'll be distributing food to reach our goal of saving lives.

SUPPORT OUR EFFORTS

Volunteers distribute food boxes to local New Jersey citizens facing food insecurity and economic instability due to COVID-19.

During the winter season, as well as throughout the ongoing COVID-19 pandemic, it is imperative that we continue to show increased compassion within the communities that lack needed assistance. Donations from our champions allow us to continue our marathon of helping others.

Your generosity makes our work possible!
