A Father's Journey: Dhiraj Ade's Story

Meet Shri Suniel Kakuram Ade, a father who has faced the challenges of poverty with unwavering strength. Dhiraj's father, Suniel, hails from Deorwadi, Tehsil Manora, Washim District, where he works as a farm laborer. Like many

parents in his community, Suniel and his wife struggled to provide for their family. The burden of financial constraints made it difficult to envision a future for their children—one filled with education and opportunity.

When Dhiraj was enrolled as a Project Anando beneficiary by the LOLT during his 8th standard, his father Suniel felt a glimmer of hope. “Our financial condition was very poor,” he recalls, reflecting on the struggles his family endured. “At that time, it was extremely difficult for us to think about our children's future.”

Thanks to the support from LOLT and the Share and Care Foundation, Dhiraj had access to vital educational resources, mentorship sessions, and guidance that would propel him toward a brighter future. His relentless support included life skills training and career counseling, which played a crucial role in his personal and professional development.

Dhiraj's journey culminated in him completing his Bachelor of Science in Nursing, and today, he proudly serves as a staff nurse at the Rural Hospital in Poharadevi, Washim District.

“This is a matter of immense pride for our family,” shares his father Suniel. “Despite all the odds, he is working and helping us and our community.”

A Father's Gratitude

Suniel's heartfelt gratitude can be felt a mile away. In this video, his son shares the impact of his father's strength and resilience, allowing him to graduate and become a Nurse.

“I sincerely thank LOLT and Share & Care Foundation for their continuous support. It is only due to your guidance and financial assistance that children from poor families like ours are now able to fulfill their dreams!”
