

Celebrate This Season of Giving With Life-Changing Gifts

**Happy holidays
from Share & Care!**

**As we embrace the spirit
of generosity during this
festive season, we wanted
to remind you of the gifts
you share with our
beneficiaries.**

Give women the training
and equipment that they
need to start their own
businesses, gain
independence, and
provide for themselves
and their families through
**Women
Empowerment.**

WE

Provide children in need with scholarships that cover all of their educational expenses, including tuition, uniforms, books, supplies, extracurricular fees, and more through **Educate 2 Success.**

Support a brilliant but financially challenged scholar as they earn a college degree through **Educate 2 Graduate.**

Ensure that individuals with limited healthcare access receive life-saving preventative care and treatments through **Healthcare 2 Unreached.**

Empower an entire village with the care and support of a dedicated Lokmitra (“friend of the people”) through **Village Upliftment.**

Our year-end goal is to provide these life-changing gifts to at least **50,000 more** people in rural India, and you have the power to make it happen. **This is an especially exciting time to give as an anonymous donor has offered to match contributions up to \$20,000!** This season, give a truly meaningful gift that will have double the impact.
